

GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Establishment of Industries – Permission for grant of clearance to establish industries manufacturing explosives – Delegation of powers – Orders – Issued

GENERAL ADMINISTRATION (LAW & ORDER-II) DEPARTMENT

G.O.Ms. No. 512

Dated: 12-08-2008

Read the following:-

- 1) G.O. Ms. No. 95, Industries & Commerce (IP) Department, dated 05.03.1993.
- 2) From the Commissioner of Industries, A.P., Letter No. 15-2-07-994, dated 18.6.2008.

ORDER:

Consequent on liberalization of Industrial Licensing Policy, the provisions in Industries (Development and Regulation) Act 1951 have been amended to dispense with the need for securing industrial license except in respect of specified categories of industries. The aim of de-licensing was to simplify procedures and to eliminate delays in establishment of industries. Some of the industries where compulsory licensing is required, among others, include industrial explosives including detonating fuses, safety fuses, gun powder, Nitrocellulose and matches, hazardous chemicals, electronic aerospace and defence equipment.

2. In the G.O. first read above, the Commissioner of Industries has been authorized to recommend and forward to Government of India all proposals where industrial license is required. However, the Commissioner of Industries is sending proposals, in respect of industrial units proposed for manufacture of industrial explosives including detonating fuses, to the Government for security clearance before sending them to Government of India. It is felt that the necessary technical expertise is required for proper assessment of the category of explosives proposed for manufacture and it is appropriate that the same has to be entrusted to an appropriate authority that has necessary technical expertise.

3. Government after careful consideration have decided to authorize the Additional Director General of Police, Intelligence to issue necessary No Objection Certificate / Security Clearance to the units who are coming up with proposals to set up industrial unit for manufacture of industrial explosives and other explosive materials.

4. Accordingly, Government direct that henceforth the Commissioner of Industries shall refer the proposals for grant of industrial licence to any industrial unit proposed to manufacture industrial explosives and other explosive material, which is coming under compulsory licensing system, to the Additional Director General of Police, Intelligence for security clearance / no objection. The Additional Director General of Police, Intelligence, after due verification and enquiry is hereby authorized to make his recommendation to the Commissioner of Industries. The Addl. Director General of Police, Intelligence is not authorized to further delegate this power to any authority subordinate to him. The Commissioner of Industries

(...2.)

:: 2 ::

shall forward the proposals along with the security clearance from Addl. Director General of Police, Intelligence to the Government of India for grant of licence.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
